Eleven checks, 1970-1978

The 38 photographs document **11 distinct checks**, with front and reverse coverage for every item. The handwritten issue dates span **March 25, 1970 through September 27, 1978**. This report reconciles parallel readings and adds historical business research.

The strongest new findings

• **Frank Pizza appears to be a person.** Both sides repeat that name, without a possessive. A Seattle golfer of that name is documented, but the exact individual has not been proved. A Seattle pizzeria cannot be identified from this check [S6].

• **A.B.C. Premiums is not yet linked to ABC television.** A Los Angeles electronics/appliance retailer is the stronger historical candidate. The exact business link remains probable [S4-S5].

• **Reverse endorsements add places absent from the account address.** They name St. Louis North, Stouffer's Indianapolis Inn, and Red Lion Motor Inn at Jantzen Beach, Portland [S7, S10].

• **Western States Service Co. has a strong historical match.** A 1969 Blaupunkt advertisement uses the same name and 5707 Santa Monica Boulevard address as the endorsement [S3].

• **The latest check reads September 27, 1978.** The new close-ups supersede the earlier provisional October reading of the owner's check #192. Its front and reverse name Cazzie Russell.

What the checks establish

A check can separately identify its writer's mailing address, drawee bank, payee, endorsement and clearing bank. These are different kinds of place evidence. They do not automatically locate Russell on the issue date or explain what he bought.

Visible labels: All 11 photographed holders bear PSA/DNA wording. Certificate numbers here are read from those labels; they have not been independently validated against a certification database. This is observational research, not a new authentication.

Reading convention: The register sorts by the handwritten issue date. Later PAID or deposit stamps remain processing evidence. Confidence applies separately to the literal reading and to a proposed business identity.

Chronological register

Dates and amounts are transcribed from the fronts; business expansions use the reverses. The two checks numbered 150 belong to different accounts and years.

Record / issue date	Check	Payee	USD	Place evidence
C01 Mar 25, 1970	136	Humble Oil and Refining	75.61	Bala Cynwyd, PA (credit-card center)

C09 Jun 01, 1978	150	Frank Pizza	30.00	Personal-style endorsement; Seattle clearing
C10 Jun 29, 1978	158	Red Lion	25.00	Jantzen Beach Portland, OR
C11 Sep 27, 1978	192	Cazzie Russell	110.00	Personal endorsement; Mar Del Rey cash stamp

11 checks · $492.24 in face amounts. These are selected surviving payments, not a complete spending record. Check numbers do not form one continuous sequence.

Read the place column as evidence of a payee, mailing or banking connection. In particular, Bala Cynwyd is the oil company's credit-card center, and Mercer Island is a bank branch on the Tradewell reverse; neither proves a personal visit.

The backs: endorsements and dates

A fresh five-thread reverse review distinguishes merchant endorsements, personal handwriting and bank processing. Dates below are processing evidence, separate from the handwritten issue dates.

Record / check	Direct reverse evidence	Processing / confidence
C01 / #136 Humble Oil and Refining	HUMBLE OIL & REFINING COMPANY; CREDIT CARD CENTER; BALA CYNWYD, PA.; FOR DEPOSIT ONLY. Separate FRB LOS ANGELES clearing stamp.	1970-03-31: Corporate endorsement/deposit processing stamp; 1970-04-02: United California Bank, Beverly Hills branch payment processing
C02 / #275 Western States Service Co	Western States Service Company; 5707 Santa Monica Blvd.; Bank of America, Western-Santa Monica Branch, Hollywood, California. Handwriting: DL # and apparent MASS.; identifier omitted.	1970-03-30: Deposit/clearing processing; 1970-03-31: United California Bank, Beverly Hills branch payment processing
C03 / #218 AMARS	AMARS CAMERAS AND RECORDERS; First Western Bank and Trust Co.; Sunset Plaza Office; FOR DEPOSIT ONLY.	1970-06-29: First Western Bank and Trust Company processing; 1970-06-30: United California Bank, Beverly Hills branch payment processing
C04 / #268 Holiday Inn of St. Louis, North	HOLIDAY INN OF AMERICA INC.; ST. LOUIS NORTH; FOR DEPOSIT ONLY. Bank stamps include Florissant Bank, Bank of St. Louis and First National Bank in St. Louis. Blue handwriting probably reads Mass License; a separate 9-13 note is visible. Identifier omitted.	1970-09-15: Bank of St. Louis / Florissant Bank processing; stamp layers overlap; 1970-09-16: First National Bank in St. Louis processing; 1970-09-21: United California Bank, Beverly Hills branch payment processing
C05 / #375 Stouffer's Inn	Stouffer's Indianapolis Inn / Operating Account; American Fletcher National Bank and Trust Company, Indianapolis, Indiana. An obscured upper line possibly reads FOOD & BEV., Operating. Separate U.C.B. LOS ANGELES clearing stamp.	1971-06-21: reverse bank processing
C06 / #288 A.B.C. Premiums	PAY TO THE ORDER OF / CROCKER-CITIZENS NATIONAL BANK / A.B.C. PREMIUMS. Beverly-Fairfax Office, Los Angeles, Calif.	1971-08-11: reverse bank processing

The backs: endorsements and dates

A fresh five-thread reverse review distinguishes merchant endorsements, personal handwriting and bank processing. Dates below are processing evidence, separate from the handwritten issue dates.

Record / check	Direct reverse evidence	Processing / confidence
C07 / #294 A.B.C. Premiums	PAY TO THE ORDER OF / CROCKER-CITIZENS NATIONAL BANK / A.B.C. PREMIUMS. Same named business and matching deposit stamp as check #288.	1971-11-09: reverse bank processing
C08 / #150 Tradewell	FOR DEPOSIT ONLY; merchant lettering consistent with TRADEWELL STORES, with #51 clear. Seattle-First National Bank, Mercer Island Branch appears twice; MAR 19 74.	1974-03-19: reverse bank processing
C09 / #150 Frank Pizza	Frank Pizza, handwritten personal-style endorsement. Pacific National Bank of Washington, Seattle, Washington.	June 5 and June 6, 1978 bank stamps.
C10 / #158 Red Lion	RED LION MOTOR INN / JANTZEN BEACH; United States National Bank; FOR DEPOSIT ONLY. Top hotel form: 6/29, cash, room 362. Lower cash-received form has signature-like writing, cashier initials, and a room entry ambiguous between 302 and 362. FRB-SEATTLE mark also visible.	Hotel note 6/29. Bank impression appears 1 JY 78 (July 1, 1978); additional faint July date unresolved. Machine code 06-80 has unidentified function.
C11 / #192 Cazzie Russell	Cazzie Russell, handwritten endorsement. Rainier National Bank and U.C.B.-L.A. / PAY ANY BANK impressions overlap. Front cash stamp reads Mar Del Rey.	Probably September 29 and October 3, 1978: two overprinted processing impressions, SE 78 29 and OC 78 03. These remain qualified readings; issue date is September 27.

Signature distinction: Frank Pizza and Cazzie Russell have readable personal-name endorsements. Most other marks are corporate or bank stamps. Red Lion's cash-received mark is not securely identified as another Bill Russell autograph; machine-printed WILLIAM F RUSSELL is not handwriting.

Account geography and timeline

1970-1971 | Los Angeles mailing; Beverly Hills bank

Seven checks use William F. Russell, c/o Covey & Covey, 9255 Sunset Blvd., Suite 1020, Los Angeles, CA 90069. The drawee is United California Bank, Beverly Hills Office, 9601 Wilshire Blvd., Beverly Hills, CA 90210. The c/o address is a professional mailing address, and the Wilshire address is a bank branch. Neither is a documented home address.

March 1974 | Seattle travel account

The Tradewell check is printed William F. Russell, Travel Account, 221 West Harrison, Seattle, WA 98119, drawn on Seattle-First National Bank, Queen Anne Branch, Seattle 98119. The reverse adds Tradewell Stores #51 and Mercer Island bank processing.

June-September 1978 | Mercer Island mailing; Seattle bank

The last three use William F. Russell, P.O. Box 58, Mercer Island, WA 98040, drawn on RainierBank / Rainier National Bank, Queen Anne Office, Seattle, WA 98119. Their different endorsements add a personal payee, a Portland hotel, and a Mar Del Rey cashing mark.

How this fits Russell's career

Russell recalled that after retiring he moved to Los Angeles and held Lakers season tickets for four years [S1]. The 1970-71 California account is consistent with that account. These checks do not establish an exact moving day or prove a Beverly Hills residence.

Seattle hired him on May 11, 1973. His March 1974 travel-account check therefore falls during his SuperSonics coaching tenure. That tenure ended after the 1976-77 season [S2]. The 1978 checks document continued use of a Washington mailing address and Seattle bank after his time as coach.

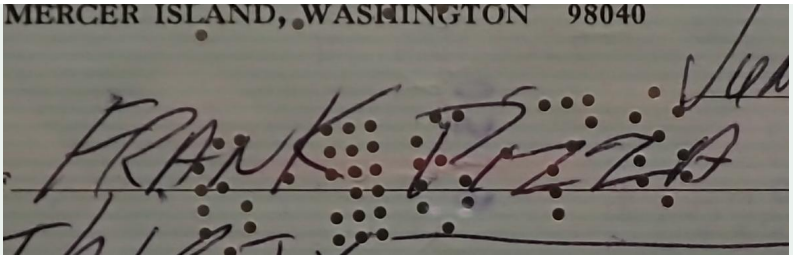

Not one city per check: The Portland hotel and possible California cashing mark show why a Seattle bank cannot be used as a map of every payment. For the same reason, a hotel endorsement alone does not establish the date or purpose of a stay.

Two payee identities to handle carefully

Frank Pizza | June 1, 1978 | $30

The front reads **FRANK PIZZA**, and the reverse has a matching handwritten personal-style endorsement. There is no restaurant address or merchant stamp. The photographed wording does not say Frank's Pizza.

A June 29, 1958 newspaper lists **Frank Pizza of Seattle** in golf results [S6]. That supports a plausible individual candidate, but supplies no direct connection to this check. The transaction's purpose is unknown. A restaurant's current status cannot be determined before a restaurant is identified.

Reading crop from PB100869.JPG. Only crop/scale used for display; no letters reconstructed.

A.B.C. Premiums | August and November 1971

Both reverses name **A.B.C. Premiums** and Crocker-Citizens' **Beverly-Fairfax Office, Los Angeles**. Neither names American Broadcasting Company or supplies a payee street address.

A 1967 Audio dealer list places ABC Premiums in Los Angeles [S4]. A family obituary describes Tony Mansour's 1970s Beverly Boulevard appliance/electronics business of that name [S5]. Together these make the retailer a **probable** match. They do not conclusively link the endorsed account to that store or establish any television-network affiliation.

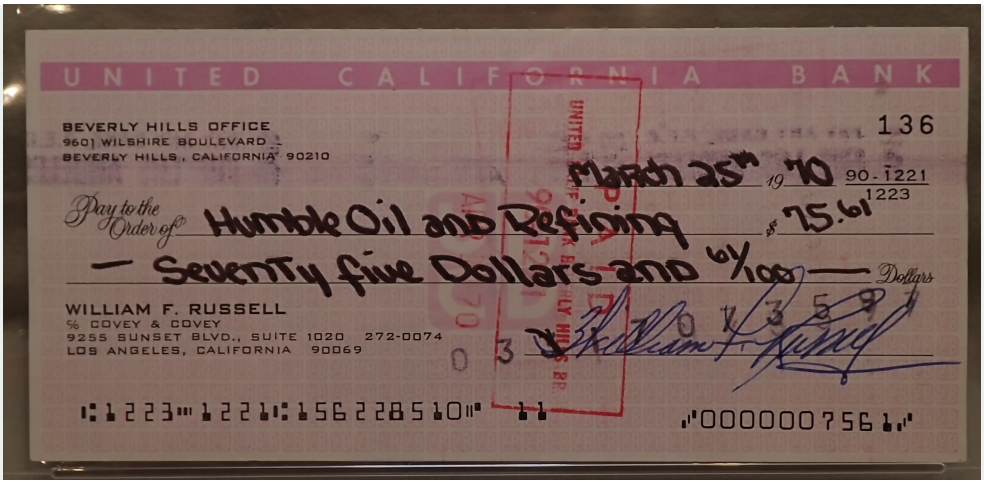

Recommended catalog wording: Payable to A.B.C. Premiums; historical evidence points toward a Los Angeles electronics/appliance retailer. An ABC television-network connection has not been verified.

C01 | Check 136 | 1970

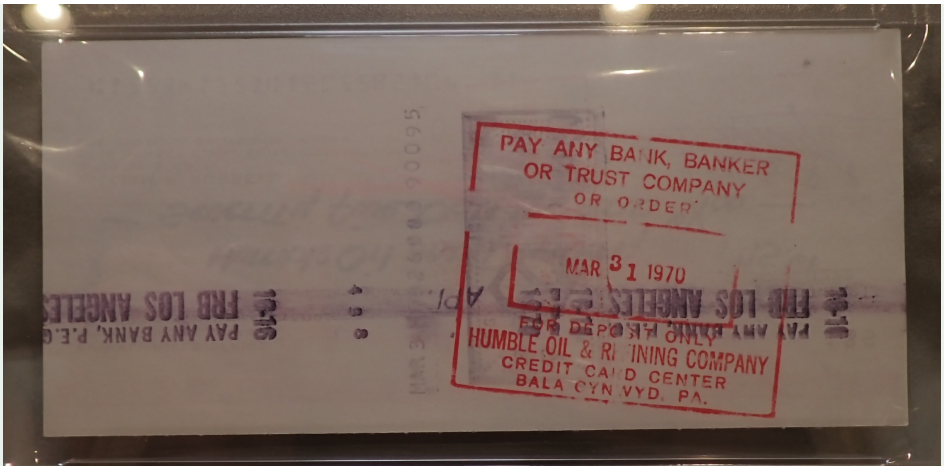

Humble Oil and Refining

March 25, 1970 | **$75.61** | PSA label 84498453

FRONT · PB100845.JPG

REVERSE · PB100847.JPG

Reverse evidence: HUMBLE OIL & REFINING COMPANY; CREDIT CARD CENTER; BALA CYNWYD, PA.; FOR DEPOSIT ONLY. Separate FRB LOS ANGELES clearing stamp.

Identification: Confirmed company name. This is the pre-Exxon oil business [S13]. The reverse is consistent with a credit-card-account payment; it does not identify a particular gas station or purchase.

Timeline: 1970-03-31: Corporate endorsement/deposit processing stamp; 1970-04-02: United California Bank, Beverly Hills branch payment processing

Confidence: High for date, payee, amount and corporate endorsement.

Business/site: Historic Humble name belongs to the Exxon corporate history; a current individual service-station location is not identified.

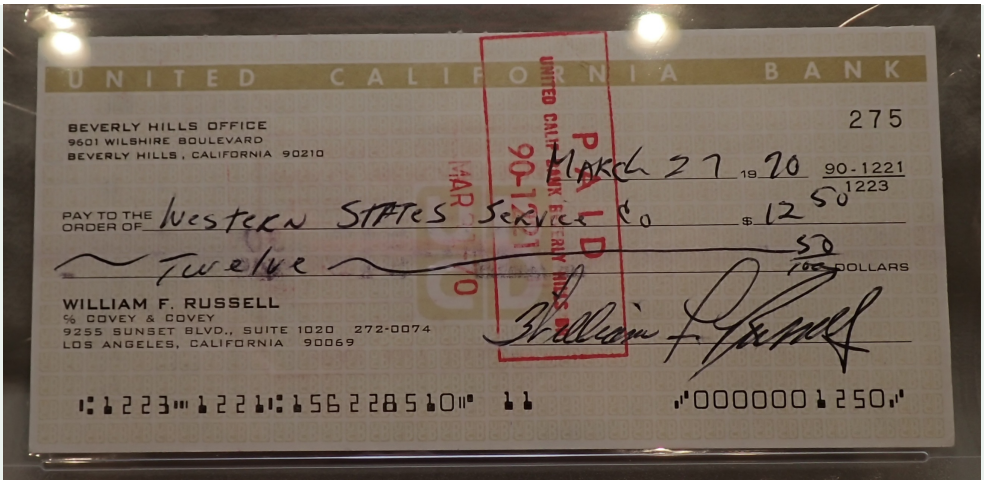

Additional front detail: PB100846.JPG. Extra matched photo(s): PB100879.JPG.

C02 | Check 275 | 1970

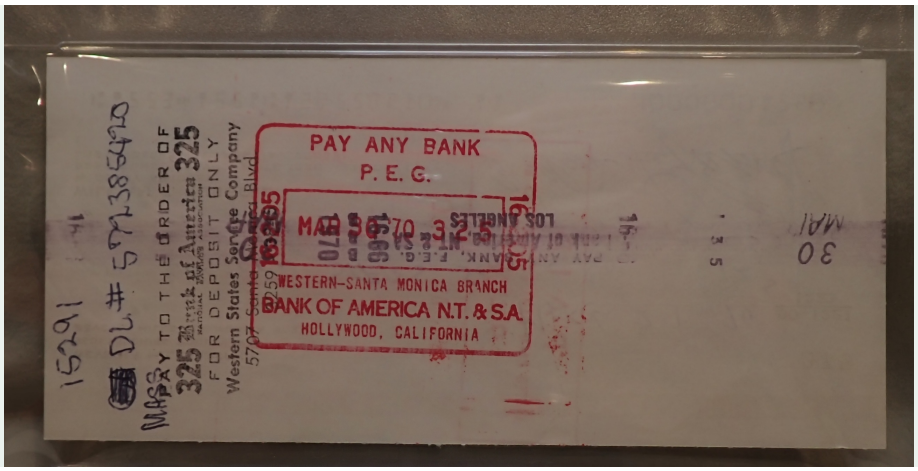

Western States Service Co

March 27, 1970 | **$12.50** | PSA label 84498454

FRONT · PB100848.JPG

REVERSE · PB100850.JPG

Reverse evidence: Western States Service Company; 5707 Santa Monica Blvd.; Bank of America, Western-Santa Monica Branch, Hollywood, California. Handwriting: DL # and apparent MASS.; identifier omitted.

Identification: Exact name-and-address match to a 1969 Blaupunkt advertisement identifies this firm as a Southern California radio/audio distributor [S3]. The $12.50 purpose is not itemized. Its identification notation matches the number beneath probable Mass License on C04, supporting a Massachusetts license attribution.

Timeline: 1970-03-30: Deposit/clearing processing; 1970-03-31: United California Bank, Beverly Hills branch payment processing

Confidence: High for payee and address; strong historical business match.

Business/site: Present-day survival or a successor business has not been established.

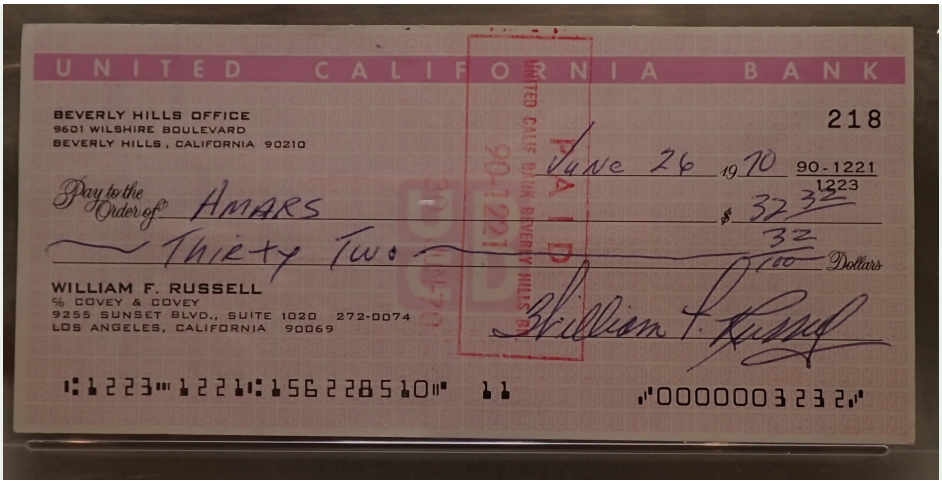

Additional front detail: PB100849.JPG. Extra matched photo(s): None.

C03 | Check 218 | 1970

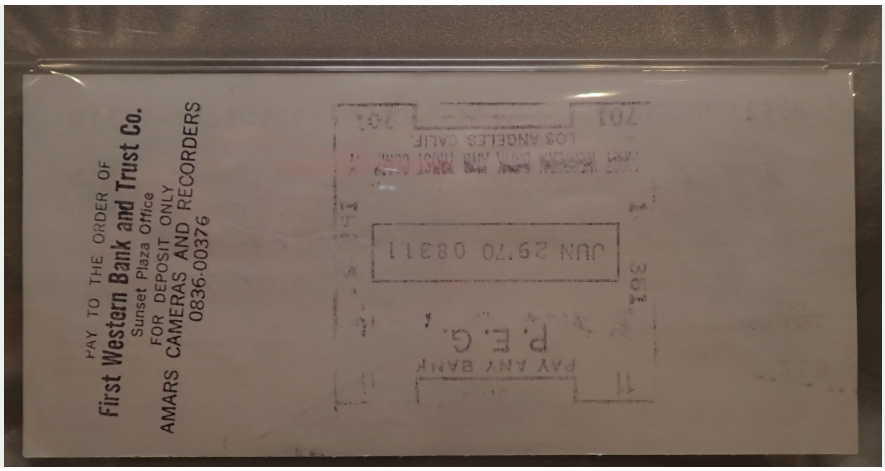

AMARS Cameras and Recorders

June 26, 1970 | **$32.32** | PSA label 84498509

FRONT · PB100851.JPG

REVERSE · PB100853.JPG

Reverse evidence: AMARS CAMERAS AND RECORDERS; First Western Bank and Trust Co.; Sunset Plaza Office; FOR DEPOSIT ONLY.

Identification: The reverse resolves the uncertain front handwriting as AMARS Cameras and Recorders. The business name is directly supported by the item; an exact storefront address and operator have not been verified.

Timeline: 1970-06-29: First Western Bank and Trust Company processing; 1970-06-30: United California Bank, Beverly Hills branch payment processing

Confidence: High for business name from both sides; storefront location unresolved.

Business/site: No verified current business or successor found. This does not establish a closure date.

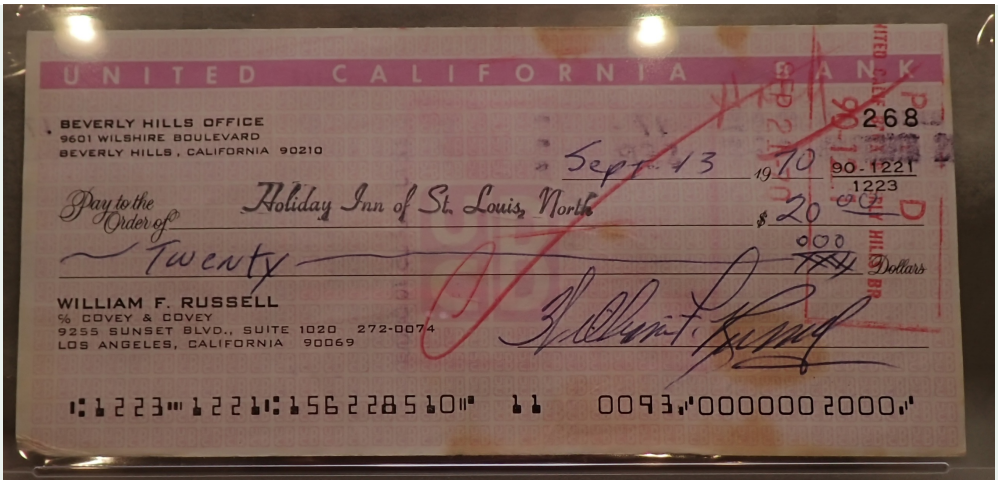

Additional front detail: PB100852.JPG. Extra matched photo(s): None.

C04 | Check 268 | 1970

Holiday Inn of St. Louis, North

September 13, 1970 | **$20.00** | PSA label 84498553

FRONT · PB100854.JPG

REVERSE · PB100856.JPG

Reverse evidence: HOLIDAY INN OF AMERICA INC.; ST. LOUIS NORTH; FOR DEPOSIT ONLY. Bank stamps include Florissant Bank, Bank of St. Louis and First National Bank in St. Louis. Blue handwriting probably reads Mass License; a separate 9-13 note is visible. Identifier omitted.

Identification: Front hotel payee and reverse hotel endorsement agree. The check identifies a St. Louis-area hotel, while its drawee bank remained in Beverly Hills. Exact hotel street address and payment purpose remain unresolved. Matching identification notes on C02 and C04 probably refer to Russell; they do not establish who wrote them.

Timeline: 1970-09-15: Bank of St. Louis / Florissant Bank processing; stamp layers overlap; 1970-09-16: First National Bank in St. Louis processing; 1970-09-21: United California Bank, Beverly Hills branch payment processing

Confidence: High for hotel name and issue date. Some overlapping processing-stamp lettering is less certain.

Business/site: Exact historic property has not been established, so no present occupant or closure claim is made.

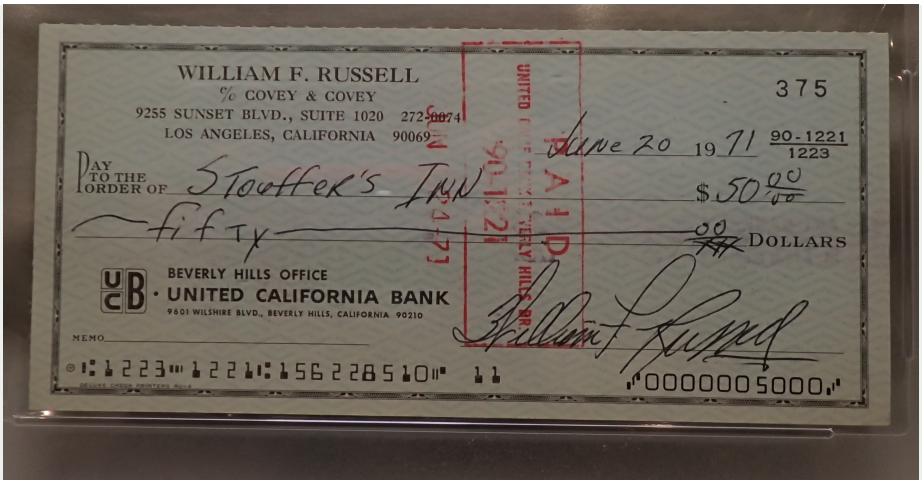

Additional front detail: PB100855.JPG. Extra matched photo(s): PB100880.JPG.

C05 | Check 375 | 1971

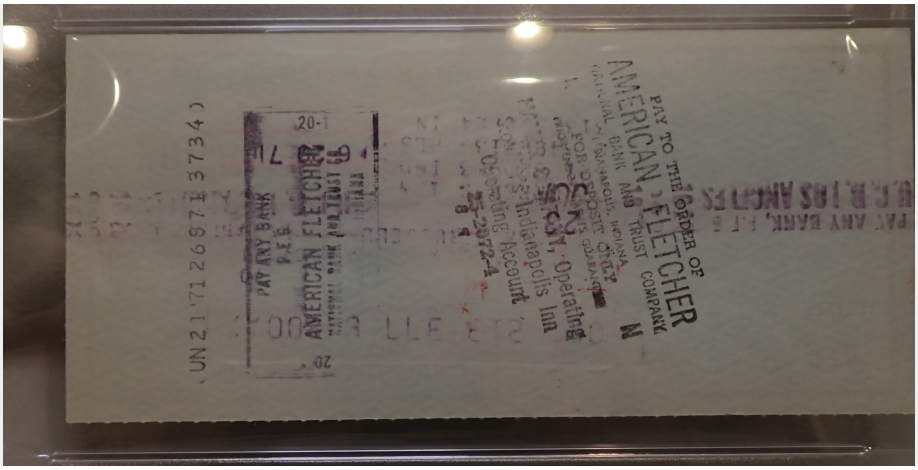

Stouffer's Inn

June 20, 1971 | **$50.00** | PSA label 84496376

FRONT · PB100857.JPG

REVERSE · PB100859.JPG

Reverse evidence: Stouffer's Indianapolis Inn / Operating Account; American Fletcher National Bank and Trust Company, Indianapolis, Indiana. An obscured upper line possibly reads FOOD & BEV., Operating. Separate U.C.B. LOS ANGELES clearing stamp.

Identification: The reverse identifies Stouffer's Indianapolis Inn. The documented hotel was at 2820 North Meridian Street [S7]. A room charge, meal, deposit or cash exchange cannot be distinguished from the check alone.

Timeline: 1971-06-21: reverse bank processing

Confidence: High for name, date, amount and Indianapolis identification.

Business/site: The hotel closed in the late 1980s. The building now houses Ivy Tech's Conference Center & Culinary Institute [S7].

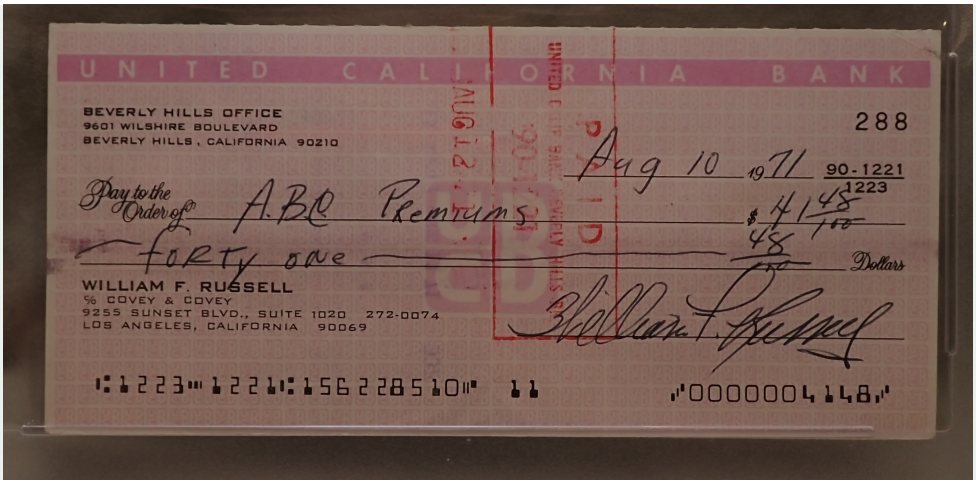

Additional front detail: PB100858.JPG. Extra matched photo(s): None.

C06 | Check 288 | 1971

A.B.C. Premiums

August 10, 1971 | **$41.48** | PSA label 84496378

FRONT · PB100860.JPG

REVERSE · PB100862.JPG

Reverse evidence: PAY TO THE ORDER OF / CROCKER-CITIZENS NATIONAL BANK / A.B.C. PREMIUMS. Beverly-Fairfax Office, Los Angeles, Calif.

Identification: Probable match to the Los Angeles appliance/electronics retailer ABC Premiums, documented before and during the 1970s [S4-S5]. The check lacks a payee street address. An ABC television-network connection has not been verified.

Timeline: 1971-08-11: reverse bank processing

Confidence: High for literal payee; moderate for retailer identification; network affiliation unresolved.

Business/site: Retailer is historically documented; present operating status not established.

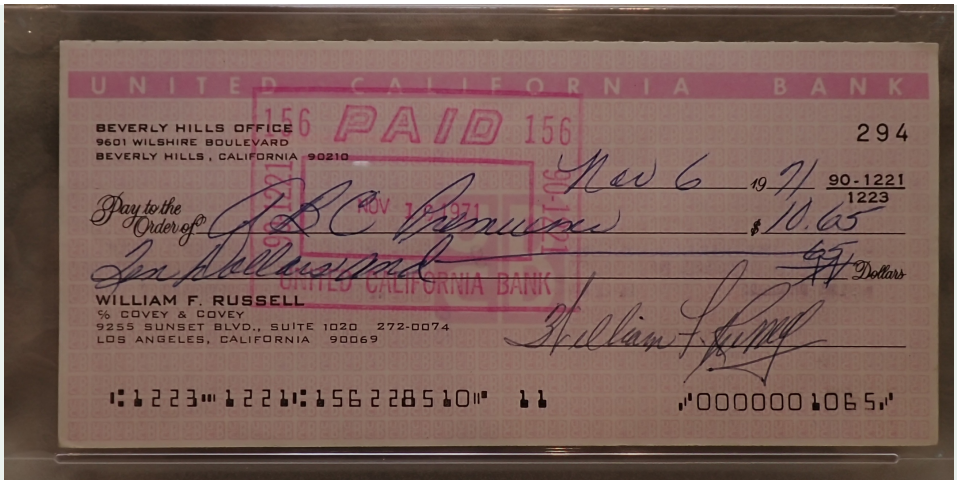

Additional front detail: PB100861.JPG. Extra matched photo(s): None.

C07 | Check 294 | 1971

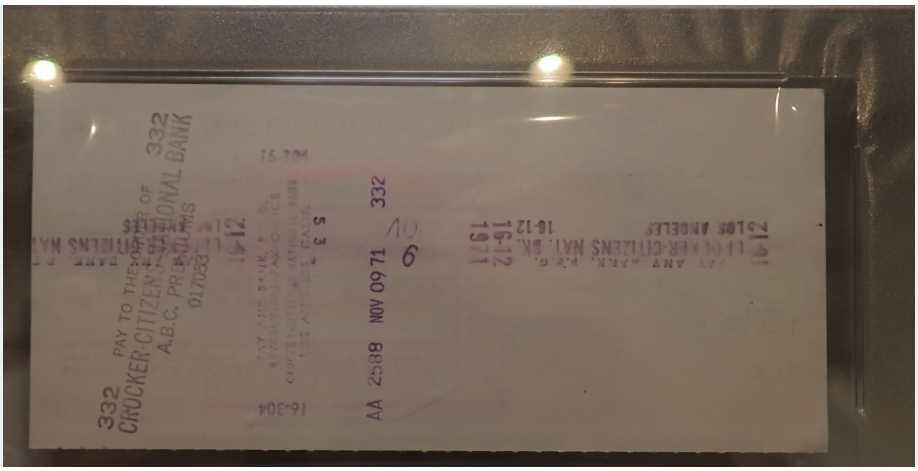

A.B.C. Premiums

November 6, 1971 | **$10.65** | PSA label 84498503

FRONT · PB100863.JPG

REVERSE · PB100865.JPG

Reverse evidence: PAY TO THE ORDER OF / CROCKER-CITIZENS NATIONAL BANK / A.B.C. PREMIUMS. Same named business and matching deposit stamp as check #288.

Identification: A second payment to the same named payee. Historical evidence points toward the Los Angeles electronics/appliance retailer [S4-S5]. It does not establish broadcast work, royalties or an ABC television relationship.

Timeline: 1971-11-09: reverse bank processing

Confidence: High for literal payee and amount; retailer match probable, not conclusive.

Business/site: Present operating status not established.

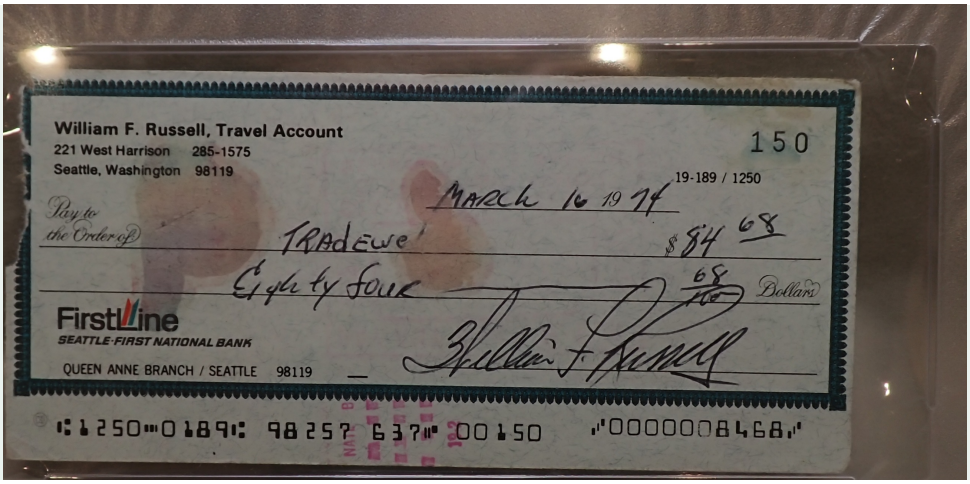

Additional front detail: PB100864.JPG. Extra matched photo(s): PB100881.JPG.

C08 | Check 150 | 1974

Tradewell

March 16, 1974 | **$84.68** | PSA label 84496339

FRONT · PB100866.JPG

REVERSE · PB100868.JPG

Reverse evidence: FOR DEPOSIT ONLY; merchant lettering consistent with TRADEWELL STORES, with #51 clear. Seattle-First National Bank, Mercer Island Branch appears twice; MAR 19 74.

Identification: Tradewell was a Seattle/Northwest grocery chain [S8]. A Mercer Island store is independently documented [S9], but no reliable store-number crosswalk establishes the exact #51 street address.

Timeline: 1974-03-19: reverse bank processing

Confidence: High for chain and store number; exact #51 location unresolved.

Business/site: The historic chain left grocery retail in 1988 [S8]. The particular store property is not identified.

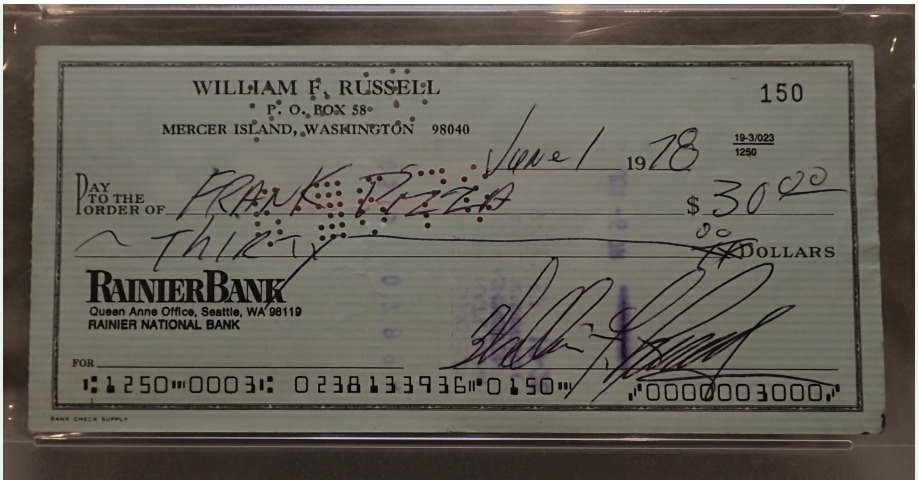

Additional front detail: PB100867.JPG. Extra matched photo(s): None.

C09 | Check 150 | 1978

Frank Pizza

June 1, 1978 | **$30.00** | PSA label 84427960

FRONT · PB100869.JPG

REVERSE · PB100871.JPG

Reverse evidence: Frank Pizza, handwritten personal-style endorsement. Pacific National Bank of Washington, Seattle, Washington.

Identification: The front says FRANK PIZZA, without a possessive. The reverse repeats the name. A Seattle amateur golfer of that exact name appears in a 1958 newspaper [S6]; that is a plausible person, not a proved identity or proof of a golf payment.

Timeline: June 5 and June 6, 1978 bank stamps.

Confidence: High for literal name, date and amount. Personal-payee interpretation strong; individual identity unresolved.

Business/site: A pizzeria has not been identified from this item, so restaurant survival cannot be determined.

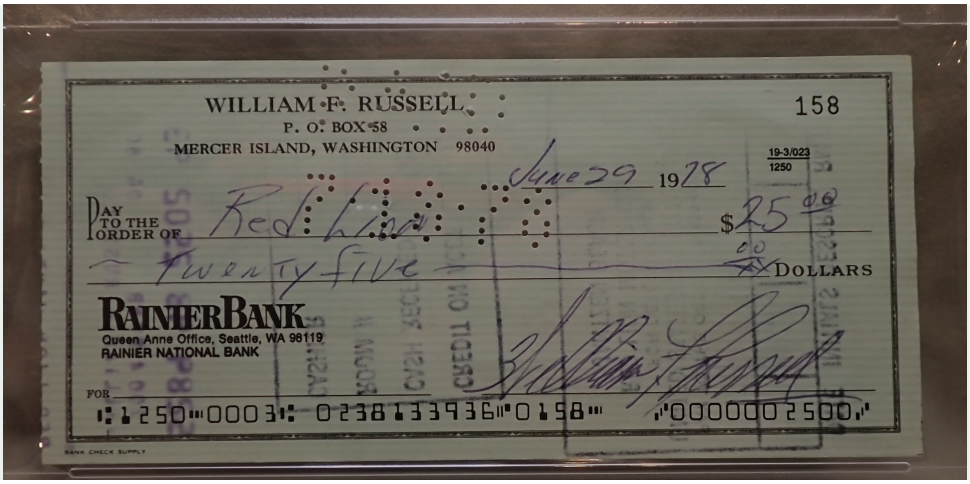

Additional front detail: PB100870.JPG. Extra matched photo(s): None.

C10 | Check 158 | 1978

Red Lion

June 29, 1978 | **$25.00** | PSA label 84427959

FRONT · PB100872.JPG

REVERSE · PB100874.JPG

Reverse evidence: RED LION MOTOR INN / JANTZEN BEACH; United States National Bank; FOR DEPOSIT ONLY. Top hotel form: 6/29, cash, room 362. Lower cash-received form has signature-like writing, cashier initials, and a room entry ambiguous between 302 and 362. FRB-SEATTLE mark also visible.

Identification: The named hotel is documented in Portland by a contemporary federal report [S10]. Cash and room notations suggest a hotel-counter cash transaction; $25 should not be represented as a documented room rate.

Timeline: Hotel note 6/29. Bank impression appears 1 JY 78 (July 1, 1978); additional faint July date unresolved. Machine code 06-80 has unidentified function.

Confidence: High for hotel, cash notation and top room 362. Lower room 302/362 and cash-line writer unresolved; no confirmed second Bill Russell signature.

Business/site: The Jantzen Beach riverfront property is now Holiday Inn Portland-Columbia Riverfront, 909 North Hayden Island Drive [S12, S14].

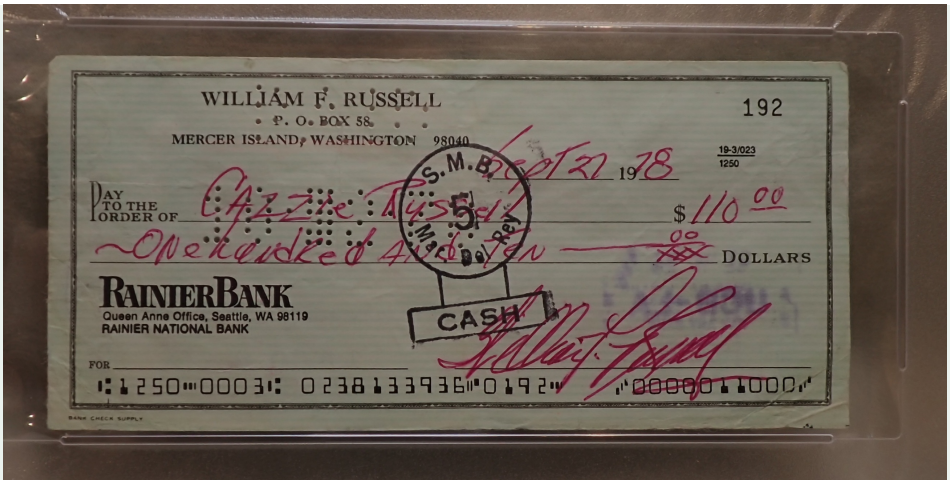

Additional front detail: PB100873.JPG. Extra matched photo(s): PB100882.JPG.

C11 | Check 192 | 1978

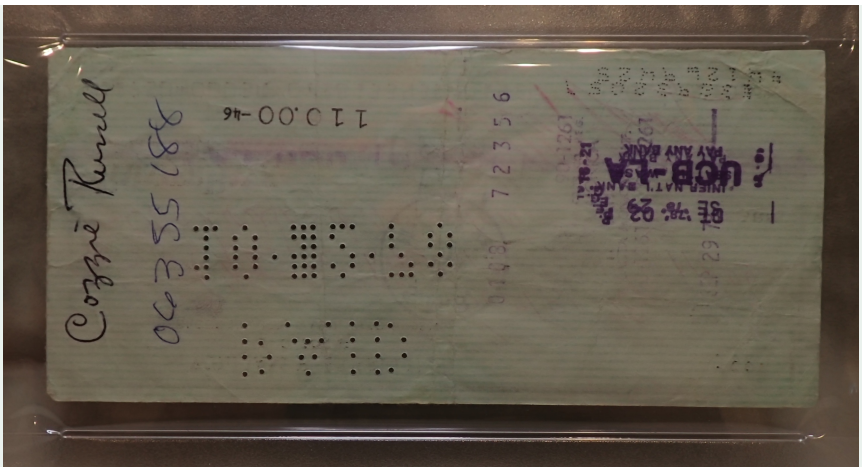

Cazzie Russell

September 27, 1978 | **$110.00** | PSA label 84427984

FRONT · PB100875.JPG

REVERSE · PB100877.JPG

Reverse evidence: Cazzie Russell, handwritten endorsement. Rainier National Bank and U.C.B.-L.A. / PAY ANY BANK impressions overlap. Front cash stamp reads Mar Del Rey.

Identification: Front and reverse repeat Cazzie Russell. Slab label names B.RUSSELL/C.RUSSELL. The literal Mar Del Rey cashing mark likely refers to Marina del Rey, California, but that expansion and bank identity are not independently verified. Purpose of $110 remains unknown.

Timeline: Probably September 29 and October 3, 1978: two overprinted processing impressions, SE 78 29 and OC 78 03. These remain qualified readings; issue date is September 27.

Confidence: High for issue date, payee and U.C.B.-L.A. wording. Probable processing dates: September 29 medium-high; October 3 medium.

Business/site: Individual payee; no retail-business identification is proposed.

Additional front detail: PB100876.JPG. Extra matched photo(s): None.

Review procedure

Five parallel reviewers divided the 1970 checks, 1971-74 checks, 1978 checks, ABC Premiums research and independent readings of difficult payees. The lead reviewer reconciled results, reopened historical sources, and independently examined the disputed Cazzie date and Red Lion reverse. Conflicting first-pass readings were corrected before this register was assembled.

Images in the item pages are faithful crops and scaled displays for legibility. No handwriting has been generated, redrawn or reconstructed. Account/routing strings and unrelated handwritten identifiers are omitted from the text register; they remain visible where present in the owner-supplied photographic evidence.

Open questions remain for the exact AMARS storefront; Holiday Inn St. Louis North street address; Tradewell #51 location; Frank Pizza's identity; ABC Premiums' exact legal/deposit identity; and selected overlapping bank dates. No itemized receipt accompanies the photographs, so particular purchases and payment purposes remain unproved except where cash handling is explicitly noted.
